

Master of Dietetics

Referee Report

Confidential

Instructions to External (to Curtin) Applicants

You are required to submit two (2) Academic Referee Reports to support your application for entry to the Master of Dietetics. Please provide a copy of this form to each of your referees, and they will submit it. Do allow your referees sufficient time to prepare your reference by giving them the request several weeks ahead of the due date.

Referee reports must be received by the application deadline!

Applicant's name:

Instructions to Referee

Referees comments are taken into account when assessing an application for entry to the Master of Dietetics. The University is particularly interested in your opinion of the suitability and potential of the candidate for successful completion of the course.

Please complete the following information. Circle the appropriate response or print neatly in the space provided. You may attach a separate sheet if necessary.
