

Referee Report Guidelines

Please attach two **written** references to your application, one of which is an academic. When requesting a reference from a referee you may wish to convey the following information:

- The course you are applying is for an intensive study program that is extremely demanding and challenging.
- The object of this referee recommendation is to assist the selection panel of the most suitable candidate for the Doctor of Physiotherapy. The selection panel is seeking evidence of qualities that will lead to successful completion of the course, including strong academic capabilities, willingness to learn, maturity, motivation, enthusiasm, as well as interpersonal and communication skills.

The referee recommendations must include the following criteria to be accepted.

- The referee must include their full name, position or title, organisation, address, email and phone (business) number.
- The referee must sign and date the recommendation.
- The referee must provide the recommendation to the applicant on official company letter head.

The two referee recommendation reports must be uploaded and submitted with your online application.
